These clip-on vintage gold and diamond sunflower earrings from [Susan Eisen Vintage Collection](#) are perfect for mastering the gardencore aesthetic.

Held at the Metropolitan Museum of Art, the annual soiree traditionally takes place on the first Monday in May, since 1948, to be exact. We can always count on our favorite celebrities to add some natural diamond bling to their fabulous looks on the red carpet.

The Costume Institute's forthcoming exhibition, "[Sleeping Beauties: Reawakening Fashion](#)," compliments this year's Met Gala theme and dress code, "[The Garden of Time](#)."

Based on a [1962 short story of the same name](#) by J.G. Ballard, the theme will be likely interpreted by guests taking notes from the beauty of nature. As far as natural diamond jewelry goes, birds, butterflies, insects, and florals are sure to take center stage.
